I am holder of the following valid boating licence:

Type of licence: _____

Licence no. _____

I participate in the YAMAHA PRO FISHING 2019 test drives which are part of the boot.club competition of Messe Düsseldorf on the boat provided by YAMAHA at my own risk. I hereby declare that I indemnify Yamaha Motor Deutschland GmbH and its affiliated and associated companies as well as their cooperating partners, directors, employees, agents, deputies and helpers as well as all other persons associated with the YAMAHA event from any liability in case of simple negligence in the event of death, injury, damage, compensation and other claims, further actions and costs arising directly or indirectly, whether before or after the event, in connection with participation in this event. This includes all associated costs and expenses as well as any payment which serves as compensation or to satisfy the previously listed claims and applies to the full extent to my heirs, direct relatives, agents and personal deputies.

The Yamaha test drive vehicle for the event is fully insured. Yamaha bears the deductible which is part of the fully comprehensive insurance. I am liable for all damage to the Yamaha test drive vehicle caused by my intent and/or gross negligence. The fully comprehensive insurance cover expires if I leave the accident site without permission in the event of an accident. During my test drive I have to observe all valid laws and regulations. I am liable for all penitent fees, fines and penalties including the resulting costs incurred by YAMAHA Motor Deutschland due to my use of the vehicle. I affirm that at the time of the test drive I am not under the influence of drugs and/or alcohol, nor am I under the influence of any medication that might impair my ability to drive. It is forbidden for me to leave the Yamaha test drive vehicle to other persons. I am liable for any damage to the Yamaha trial vehicle caused by failure to comply with the above points.

During my test drive, I willingly follow the instructions of the responsible employees of the cooperating partners involved. During my test drive, I wear a certified life jacket and, if necessary, additional protective clothing. In the event of any damage, including damage or accidents without the involvement of third parties, I am obliged to immediately inform the responsible employees of the cooperation partners involved on site. The police must be consulted immediately in the event of any accident. Evidence must be secured and the data of the parties involved must be ascertained. Everything must be done that can contribute to the proper and complete clarification of the cause of the accident. I undertake not to make an admission of guilt and not to carry out any other actions (payments, settlements) which endanger the insurance cover.

I confirm the accuracy of the above information, in particular my actual possession of the specified driving license(s) and the absence of drug and/or alcohol influence on my driving ability. At the time of the test drive (see above) I am not prohibited from driving.
